

Butterbeer

Ingredients:

- **1 bottle of butterscotch beer** (like the Old Keg Butterscotch Beer you have)
- **2 tablespoons butterscotch syrup (or caramel syrup)**
- **½ teaspoon vanilla extract**

Whipped Cream Ingredients:

- **½ cup heavy cream**
- **1 tablespoon powdered sugar**
- **1 tablespoon butterscotch or caramel syrup (for the whipped cream)**

Instructions:

- 1 Pour the butterscotch beer into a glass.
- 2 Stir in the butterscotch (or caramel) syrup and vanilla extract until well combined.

For the whipped cream topping:

- In a chilled bowl, whip the heavy cream and powdered sugar until soft peaks form.
- Gently fold in the butterscotch or caramel syrup.

Assemble: Spoon the whipped cream on top of the drink and optionally drizzle extra syrup on top.
