Applebee's Southwestern Sauce

Ease of Cooking: Beginner
Serving Size: makes 1 cup

Notes:
This goes well with the Applebee's [Tequila Lime Chicken](#), or you may want to use it as a dip with tortilla chips.

Ingredients:

- 1/4 C. Ranch Dressing (store brand)
- 1/2 C. Sour Cream
- 1/4 C. Taco Sauce (not picante)

Preparation:

Mix all three ingredients together, blend until smooth. Cover and place in the refrigerator to let the flavors blend. This is a great dressing for that tired dinner salad or what a great change of pace for the common taco salad..
