Sonic Drive Inn Frito's Chili Cheese Wrap

Ease of Cooking: Beginner
Serving Size: 4

Notes:

Chili and Fritos go together so well. You can put these together easily at home, no need to get dressed and make a mess in your car for these.

Ingredients:

1 19 oz Can Mild Plain Chili (heated)
3 C. Fritos or other corn chips (original style)
1 C. Shredded Mild Cheddar Cheese
1/4 - 1/2 C. Diced Onions (to taste)
4 Large Burrito Flour Shells

Preparation:

Mix Fritos with chili, place 1/4 of chili mixture in the middle of the flour burrito shell. Sprinkle chili with 1/4 cup shredded cheese and diced onions to taste. Fold one side of shell halfway on top of chili. Fold each side over each other. The bottom should be tucked in and filling will be seen from the top of wrapped shell. Pop into the micro wave 15 - 20 seconds. Serve immediately and enjoy.
