

Brown Sugar Bacon

- ◆ 1 package TJ's Uncured Applewood Smoked Bacon
- ◆ 3/4 cup TJ's Brown Sugar

Preheat oven to 350°. Lightly grease a baking sheet and arrange bacon slices flat, leaving space between each slice. Sprinkle liberally with brown sugar (don't be timid, it will cook down). Bake the bacon for 30 - 40 minutes until crisp and so delicious. Enjoy.

Serves: 3 - 4
