

- ◆ 1 stick TJ's Unsalted Butter
- ◆ 2 TJ's Eggs
- ◆ 1 box TJ's Truffle Brownie Mix
- ◆ 1/4 cup TJ's Dried Tart Montmorency Cherries
- ◆ 1/4 cup TJ's Walnut Halves and Pieces
- ◆ 1 box TJ's Frozen Chocolate Chip Cookie Dough

Preheat the oven to 350°. Bring the butter to room temperature and combine the eggs with the butter and whisk/ mix. Slowly add in the brownie mix. Once the mixture is uniform, add in the cherries and walnuts; set aside. Lightly grease a brownie pan and place the chunks of cookie dough sporadically around the bottom of the pan (there may be a few pieces of cookie dough left, do with them what you must). Pour the brownie mix over the top, evenly coating the cookie dough. Cover with aluminum foil and bake for 45 minutes or until you can stick a toothpick in the center and it comes out clean. Enjoy!
